

Infant-Parent Group

Led by Kerry Kelly Novick and Dina Stillings

Bring your baby to class and:

- ❖ Share the joys and challenges of parenting
- ❖ Talk about how you and your baby will grow together
- ❖ Find support from other parents
- ❖ Build life-long parenting skills
- ❖ Spend special time with your second or additional child.

We will sing songs, do finger-plays and enjoy the babies' exploration.

Discussions will include practical parenting ideas based on child development knowledge.
