

Imagining the Arts 2

Multi-Arts class for 5-7 year olds
Tuesday 4-5:30 pm
Instructor: Lesley Kabza Criscenti

- Visual Art
- Music
- Creative Movement
- Literature
- Monthly Field Trips and Family Art Hour
- One Week of Summer Camp

Weekly inter-related arts program expands your child's creativity, confidence and the ability to cooperate with teachers and peers.

"Imagining the arts has been a deeply enriching experience for our 6 year old, and for our family. The projects that Lesley has the children do - both in regular class time, family art hours, and during field trips makes the art come alive for the children. You can see them relating to their creations. There is nothing as joyful as watching Lesley lead her children through a museum and help them to look at and enjoy the art." Kristin, a parent

Lesley Kabza Criscenti is a Creative Arts Specialist, creating a rich classroom environment that celebrates curiosity, self-awareness and a love of the learning process. The carefully thought out experiences support emotional well-being, independence and empathy as well as intellectual growth and skill building.

"I love Imagining the Arts because I like making art. Mrs. Criscenti makes me feel like an artist." -Ria, class member

This class begins in September 2011. Tuition is \$1620.00, divided into ten payments. This includes all materials, field trips, workshops and one week of half-day summer camp.
