- Individual and collaborative activities.
- Consistent daily schedule blending outdoor experiences with small and large group gatherings.
- Allen Creek T-Shirt
- Cost: \$150.00 per student per class.

June 13-16 (12 Students)

A Book-A-Day

In this camp we will explore a new book each day. Each story will be used as the basis for follow up activities during large and small group time. Children will have the opportunity to expand the story's themes throughout the day. Art, dance, and cooperative games will be the vehicles for these story stretching experiences.

Exploring Paper

"What can you do with a piece of paper?" In this camp we will explore the many possibilities using different textured and sized paper. Children will learn about the process of making paper, and will bring home their own paper creation. We will also work on creating three dimensional objects using paper mache.

June 20-23

Sports and Games

Physical fitness, large motor movements and a desire to work with others will be the focus of this camp. We will capitalize on children's interest in running, hopping, throwing and catching to introduce simple cooperative learning activities. *Beach ball balance*, *balloon toss through hoops*, and *Simon Says No Elimination* are just a few of the games we will enjoy this week. We will introduce children to classic board games and provide the opportunity to design their own game. The focus will be on the experience of playing the game, as opposed to the outcome. Everybody wins and everybody has fun.

June 20-23 (12 Students)

Basic Weaving Experiences

In this camp we will learn the techniques of basic weaving, starting with paper weaving. Together the group will make a large loom, and individually a smaller version to take home. Children will collect natural materials from our outdoor space and create an original organic weaving.

June 27-30 (12 Students)

Parade Fun for 4th of July Parade

In this camp we will create a variety of art that will be part of the Fourth of July parade. Activities include making paper flowers and flags. We will enjoy a snack of homemade ice cream and lemonade, and decorate bikes and wagons.

Dear Allen Creek Community

PLEASE JOIN US - July 4th Parade (No cost)

Come join the Allen Creek community in Ann Arbor's annual 4th of July Parade. We will carry the Allen Creek Banner and encourage you to bring wagons and strollers.

July 5-8 (12 Students)

Nature Explorations

Come observe and explore the science in Allen Creek's backyard. Children will compare, order and categorize a variety of different objects. We will find and identify insects, collect sticks, and leaves for projects, investigate dirt and use these materials to create a nature tile.
